

Hubs @ St. Matt's

At the church weekend this year, we talked about community, and how we can support each other and build community at St. Matt's.

One of the ideas we came away with was Hubs.

Hubs play a crucial part in our wider vision for discipleship at St. Matt's. As smaller mid-week groups, they are perfectly placed to form community, build friendships and have fun whilst learning together to practice doing the things Jesus did. They are at the heart of how we can practically live out our vision to "ignite passion for Jesus".

We believe that our passions, giftings and creativity are God given and are enhanced by our faith in Christ.

We are launching 5 activity hubs this term - the aim of activity hubs is to build community and be missional around a shared interest. It might be a hobby or passion (sport, art, or anything you love doing).
