

BARISTA TRAINING AT SOZO

St Matt's Christmas 2018 Sharing Love, Peace, Hope and Joy with others

We are delighted to be raising money for the training of Coffee Baristas at the Sozo Foundation set in the deprived Vrygrond township of Cape Town. [Run by our Link Mission partner Steve Morris.]

The Sozo Youth Café provides a safe, creative and vibrant space for unemployed young people to be equipped, trained and mentored so that they can reach their full potential.

They offer a six-month program that provides the young people with skills development training. They also partner with businesses and organisations inside and outside of Vrygrond who can offer internships for young adults, which lead to work experience and full-time jobs.

HOW ARE WE GOING TO BE RAISING MONEY?

You can either start giving during Advent or wait until Christmas and give it all in one go!

- **Contributions for Coffee!** With the focus on Coffee, you might like to make a contribution for your coffee into the 'Change' jar
- **Christmas 'treats'** can be sold after our Morning Services in Advent.
- **Give the money you would spend on cards to church family and sign the joint St Matt's Christmas Card!** (Available to sign in church now!)
- **The 'Change' Jar will be available during Advent – nothing too small!**
- **The Offerings at our Christmas Services will be going to our appeal.**

[Please can you make sure that you use the specific 'Gift Aid' envelopes to enhance the amount!]
