

I hope you've had a good week.

I've been on a retreat this week, which was really good!
It's been great to just slow down a bit, meet new people, and spend time with God.

I felt like God spoke to me about a few things while I was away, but the word that kept coming back to me was peace.

I picked up a little card in the church at Ashburnham Place, with the title Finding Peace. It talked about slowing down and just being yourself with God. Not needing any special words or prayers, but just allowing yourself to just 'be' with God.

So this week, I want to pray that for you as someone prayed it over me this week. That you would find the time and space to be peaceful with God.

2 Thessalonians 3:16 - "Now may the Lord of peace himself give you peace at all times and in every way. The Lord be with all of you."

Could you join our rota of cooks for Ignite?

At our youth group, Ignite, on Tuesday evenings, we offer a home cooked hot meal for the young people and leaders. We are so grateful to those people who already cook for this once every couple of months.

If anyone else would like to join this team of people, and cook a simple meal in advance for about 25 people once every 2 months, please come and talk to me. We are happy to reimburse you for ingredients, and we have plenty of big trays and pans at church that can be borrowed to cook larger quantities in. The food would need to be delivered to church on a Tuesday afternoon if possible, or could be cooked in church on a Tuesday afternoon if that was easier.

Unite Town-wide Youth Event tonight - CANCELLED.

Please note that Unite is cancelled tonight, as YFC can't use The Wells Church. They will be back again next month.

Please be in touch with Rob or I if you need any help or support this week. See you on Sunday.
